

GDPR Compliance Statement

Customized Compound Solutions A/S (further referred to as 'CCS') processes personal data as defined in the EU General Data Protection Regulation 2016/679 (in our Legal & Privacy Policy referred to as 'GDPR'). This data includes contact details of suppliers/customers to ensure its rights and obligations under this agreement and to optimally handle the business with these parties. CCS's processing of personal data is conducted as described on CCS's Legal & Privacy Policy page.

We have contracts with all our suppliers, contractors and service providers to ensure their compliance with this regulation.

If you have any questions about how CCS collects, processes and stores your personal data, please email cs@bjorn-thorsen.com.
